

BMW X7 , 2024

BMW X7 M60i xDrive 4WD 6-seater B&W Sky Lounge SR - 04/2024

Exterior:

The **2024 BMW X7 M60i xDrive** presents an imposing yet refined design as part of the LCI (facelift) generation. This luxurious **6-seater SUV** features a reworked illuminated kidney grille, split adaptive LED headlights, and a sculpted body profile. The "Democa Late" specification emphasizes dark-themed exterior accents, while the Sky Lounge panoramic roof and 22-inch M light-alloy wheels add elegance and road presence. Signature M-specific elements, such as quad exhaust tips and sportier bumpers, further enhance its athletic character.

Performance and Efficiency:

Powered by a **4.4-liter V8 twin-turbo petrol** engine with 48V mild-hybrid technology (MHEV), the X7 M60i delivers **530 horsepower (390 kW)** and **750 Nm of torque**. The engine is paired with an 8-speed Steptronic Sport transmission and BMW's intelligent xDrive all-wheel-drive system, enabling acceleration from 0 to 100 km/h in around 4.7 seconds. The integrated electric motor supports smoother start/stop transitions and adds torque boost during acceleration, while average fuel consumption is rated at 11.2-11.6 L/100 km.

Interior and Features:

The interior is both spacious and technologically advanced, with a focus on first-class comfort. The 6-seat layout includes individual second-row captain's chairs for enhanced rear passenger comfort. Premium materials such as Merino leather, glass controls, and fine wood trim are used throughout. The BMW Curved Display integrates a 12.3-inch digital instrument cluster and a 14.9-inch central infotainment touchscreen powered by iDrive 8.5. Standard features include wireless Apple CarPlay and Android Auto, four-zone climate control, heated and ventilated seats, a **Sky Lounge panoramic roof**, and a **Bowers & Wilkins Diamond Surround Sound System**.

Technology and Safety:

Equipped with BMW's Driving Assistant Professional, the vehicle includes **adaptive cruise control, lane keeping assist, blind spot monitoring, 360-degree cameras**, and **automatic parking assistance**. The mild-hybrid system enhances efficiency in urban driving, while remote software upgrades, head-up display, and gesture control contribute to a futuristic, connected experience. The X7 M60i is designed to provide top-tier safety and comfort for every occupant over long journeys or in everyday urban settings.
