BMW X4 M40i - 10/2021

Exterior

The BMW X4 M40i is finished in **Black Sapphire**, combining the sporty coupe-SUV silhouette with premium M Performance styling. The body retains its bold lines and dynamic stance, featuring sharp contours, frameless windows, and the signature kidney grille.

Performance and Driving Dynamics

Equipped with a **3.0-liter inline-6 TwinPower Turbo petrol engine**, the X4 M40i delivers around **360 horsepower**, paired with an **8-speed automatic transmission** and **BMW's intelligent xDrive all-wheel drive system**. The result is exhilarating acceleration, excellent traction, and refined handling. Adaptive suspension and M Sport tuning provide agility and comfort, making it enjoyable for both spirited driving and long-distance cruising.

Interior and Comfort

The cabin blends sportiness with luxury, offering **leather sport seats with power adjustments and memory functions**, alongside the **M Sport steering wheel** and ambient lighting. Premium finishes and ergonomics create a driver-focused environment, while the coupe-style roofline enhances the sporty feel without compromising passenger comfort. Minor wear such as light wrinkles and scuffs are present but overall the interior remains well-kept and inviting.

Technology and Safety

This BMW X4 M40i comes with **navigation, 360° cameras, parking sensors, adaptive cruise control, lane departure warning, blind-spot monitoring, and collision mitigation system**. Safety is supported by **multiple airbags, ABS, ESC, and advanced driver-assistance systems**. Entertainment is powered by a **Harman Kardon premium audio system** with smartphone connectivity and BMW's advanced infotainment interface.
