BMW XM , 2025

BMW XM 3.0 50e 25.7kWh – 2025

Overview:
The 2025 BMW XM 3.0 50e 25.7kWh is an electrifying blend of high-performance, luxury, and cutting-edge technology. With its dynamic design, powerful drivetrain, and a wealth of features, it sets a new standard in the world of luxury SUVs. Whether it's the bold **Dravit Grey special metallic exterior**, or the advanced **M Adaptive Suspension Pro**, the BMW XM offers exceptional performance, efficiency, and comfort in one incredible package.

Exterior:
The exterior of the 2025 BMW XM features the striking **Dravit Grey special metallic exterior** that enhances its bold presence on the road. It is fitted with **21-inch alloy wheels – Light – 918 M Double Spoke with mixed tyres**, offering an aggressive yet elegant look. The car's exterior includes sleek elements like **exterior and central air inlets in black high gloss**, and the **horizontal radiator grille struts in black high-gloss**, enhancing its sporty design. The **M Aerodynamics Package** gives the vehicle an aggressive stance, while the **rear diffuser in black high gloss** adds to the dynamic aesthetics.

Performance and Efficiency:
This performance-oriented model is equipped with the **M xDrive** all-wheel-drive system, ensuring exceptional stability and handling in all driving conditions. With **M Sport brakes** featuring **black calipers**, the **BMW XM** offers a thrilling driving experience. The inclusion of the **M High-Gloss Shadowline** and **M Leather Steering Wheel** adds to the performance-focused atmosphere within the vehicle.

Interior and Features:
Inside, the **BMW XM** is as luxurious as it is functional. The **BMW Individual instrument panel finished in leather** adds a sophisticated touch to the cabin, while **carbon fibre interior trim** enhances its sporty feel. The **M Multifunctional seats for the driver and front passenger** provide the ultimate in comfort, and the **front heated seats** ensure that you stay cozy in all weather. The vehicle also features **ambient lighting**, and the **Harman Kardon surround sound audio system** offers premium sound quality for an immersive driving experience.

The vehicle's **panoramic roof** lets in natural light, making the cabin feel more open and airy. For added convenience, it comes with **wireless charging**, **power sockets**,

and **a storage tray with a compartment in the center console**.

Technology and Connectivity:
The **BMW ConnectedDrive Online Services** offers seamless connectivity, while **BMW Gesture Control** lets you operate various functions with simple hand movements. Additionally, the **BMW Live Cockpit Professional** ensures that you stay connected and informed with its intuitive interface. The **Personal eSim** ensures that the vehicle stays connected, allowing you to easily integrate your personal data.

Safety and Driver Assistance:
The 2025 **BMW XM** comes with a suite of advanced safety features, including **Active Protection**, **Blind Spot Detection**, and **Parking Assistant Plus**, which enhances parking and maneuvering. **PDC – Park Distance Control** with sensors at the front and rear makes parking easier. The car is also equipped with **High-Beam Assistant**, **Lane Assist**, and a **Speed Limiter** to enhance driving safety.
