Overview

This BMW X3 20d xDrive M Sport from model year 2025 is an off-road SUV equipped with a 2.0L turbocharged diesel hybrid powertrain, offered as a non-smoking pre-owned vehicle. It represents a highly practical, luxury option for buyers seeking a stylish and versatile SUV.

Driving Performance

The vehicle is outfitted with an 8-speed automatic transmission with manual mode and a 4WD drivetrain. Paired with its M Sport performance package and turbocharged diesel engine, it provides planted road stability, strong torque delivery, and refined handling dynamics.

Interior and Equipment

The cabin comfortably seats up to five passengers and is appointed with premium comfort features, including genuine leather upholstery, heated and ventilated (air-conditioned) front seats, electric seat adjustments, a Harman Kardon Sound System, a power rear tailgate, an integrated dashcam, and genuine memory navigation with Full-segment TV.

Technologies and Assistants

The vehicle includes a complete suite of safety and driver assistance technologies. Key features include Adaptive Radar Cruise Control, Lane Keep Assist, collision mitigation

braking, rear blind spot monitoring, parking sensors, and a 360-degree surround-view camera system.

Exterior

The 5-door SUV body is finished in Black Sapphire Metallic with M Sport styling. The exterior design is completed by LED headlights and genuine 20-inch alloy wheels.
