Overview

The BMW i4 eDrive40 M Sport 11/2024 is a hatchback powered by an electric engine and configured with 2WD, finished in Brooklyn Grey Metallic and presented in M Sport trim. %READMORE% This model combines electric propulsion with driver assistance systems and a multi-zone climate and infotainment package aimed at everyday usability and comfort.

Driving Performance

The vehicle uses an electric powertrain paired with an Other AT transmission type as listed. The 2WD layout and electronic stability systems provide predictable on-road handling; the setup is oriented toward composed urban and highway driving rather than off-road use.

Interior and Equipment

The cabin accommodates five occupants and includes heated seats, Electric seat adjustment, a Head-up display, 3-zone climate control and Display audio with Apple CarPlay/Android Auto compatibility. Additional comfort and convenience items include Car navigation system: HDD, Music player connection capability, Keyless access with Smart key, Power windows and a power tailgate.

Technologies and Assistants

Key systems comprise Adaptive Cruise Control, Lane Keep Assist, Collision mitigation braking, Parking Assist, Hands-off assist, Surround-view camera / Full-width camera

and multi-view Cameras: Front/Side/Back with Monitor: Blind Spot/Rear Traffic, Obstacle sensor, ABS, Anti-skid device, Idling Stop and Anti-theft device.

Exterior

Finished in Brooklyn Grey Metallic, the i4 features Adaptive LED headlights, aluminum wheels and a hatchback tailgate with power operation. The exterior presentation aligns with the M Sport specification and electric drivetrain packaging.
