

BMW M8 , 2024

BMW M8 Gran Coupe Competition 4WD - 12/2024

Safety and Assistance Systems: The vehicle is equipped with all-wheel drive (4WD) and advanced safety systems, including airbags, stability control, anti-lock braking system (ABS), as well as surround-view cameras and parking sensors. These technologies ensure a high level of safety and confidence behind the wheel.

Comfort and Multimedia: The M8 is equipped with a premium multimedia system featuring navigation, TV, and high-quality acoustics. It also includes intelligent features such as keyless entry, push-button start, and dual-zone climate control for maximum comfort.

Interior and Seats: The interior is crafted in black leather with BMW's signature trim. The sports seats offer electrical adjustments, memory functions, heating, and ventilation, ensuring premium comfort for both the driver and passengers. The control panel is slightly tilted towards the driver to enhance ergonomics.

Exterior: The body is painted in elegant **Black Sapphire Metallic**, emphasizing the car's aggressive and stylish appearance. It is equipped with 20-inch alloy wheels. Modern LED headlights and the signature BMW kidney grille highlight the brand's iconic design.
