Overview

The BMW iX is a 2023 off-road SUV with electricity and a Black Sapphire Metallic exterior. This model combines a five-door body style with a five-seat cabin layout.

Driving Performance

This model uses other automatic transmissions with manual mode and 2WD. It delivers a smooth and controlled driving character for daily road use.

Interior and Equipment

The cabin is configured for five people and is arranged with a comfort-focused layout. The interior is designed for everyday comfort and practical use.

Technologies and Assistants

The vehicle includes standard safety and driver assistance systems for regular driving support. They contribute to visibility, parking support, lane control, and general road awareness.

Exterior

This BMW iX in Cyprus is presented as an off-road SUV in Black Sapphire Metallic. The exterior keeps a clean and functional body profile.
