General Overview
The BMW X4 M40i is a premium **Sports Activity Coupe** that blends sporty styling with everyday practicality. In **Alpine White**, it looks sleek and powerful, highlighting its athletic character as part of the **M Performance lineup**.

Performance and Driving Dynamics
It is powered by a **3.0-liter inline-6 turbocharged petrol engine** delivering **360 horsepower**, paired with an **8-speed automatic transmission**. The **xDrive all-wheel-drive system** ensures excellent grip and stability, while the M-tuned suspension and brakes provide sharp handling and confident stopping power. This combination gives the X4 M40i a dynamic driving feel, whether on highways or winding roads.

Interior and Comfort
The cabin seats **five passengers** and emphasizes luxury with premium materials and driver-focused ergonomics. It features **sports seats, a modern infotainment system with navigation, and multi-zone climate control**. Practicality is enhanced by its versatile cargo space and comfortable seating, making it both sporty and usable daily.

Technology and Safety
This X4 comes equipped with advanced **driver assistance systems**, including **adaptive cruise control, lane keep assist, collision mitigation braking, surround cameras, parking sensors, and multiple airbags**. Intelligent LED headlights further improve night visibility, while BMW’s latest infotainment system supports full connectivity for seamless driving.

Exterior Design
The X4 M40i stands out with its **aggressive coupe-like silhouette, M Performance styling accents, and 19/20-inch alloy wheels**. Distinctive lines and athletic proportions make it a bold statement on the road, combining elegance with power.
