BMW 5 Series 523i M Sport (Hybrid) - 09/2024

Safety and Assistance Systems:

This 523i M Sport is equipped with essential safety features, including multiple airbags and power steering (PS) for controlled and responsive handling. The vehicle supports safe driving with advanced navigation assistance and a stable hybrid drivetrain.

Comfort and Multimedia:

The model includes automatic air conditioning (AAC) to ensure optimal cabin temperature, along with power windows (PW) for convenience. A built-in TV and navigation system offer entertainment and guidance for every journey.

Interior and Seats:

Inside, the 5 Series presents a sporty yet refined cabin design, enhanced by the M Sport trim. It comes with a user's manual and a maintenance notebook, reflecting careful upkeep and attention to detail.

Exterior:

Finished in a distinctive color, the vehicle carries the classic elegance of the 5 Series with athletic M Sport accents. Alloy wheels (AW) enhance its bold presence, while the 2000cc hybrid engine delivers a perfect balance of efficiency and performance.
