

BMW X5 , 2022

BMW X5 xDrive 35d M-Sport - 07/2022

General Overview

The **BMW X5 xDrive 35d M-Sport** is a luxury SUV that combines German engineering precision with sporty character and everyday practicality. This example, produced in **July 2022**, is finished in elegant **White**, giving it a strong yet refined presence. With its M-Sport package, it delivers a dynamic design and enhanced driving feel.

Performance and Efficiency

Under the hood, the **X5** is powered by a **3.0-liter inline-six diesel engine (3000cc)** paired with an **automatic transmission**. It produces robust performance while maintaining excellent fuel efficiency. The **xDrive all-wheel drive system** ensures superior traction, stability, and confidence in all driving conditions, making it suitable for both city use and long-distance travel.

Interior and Features

The cabin offers space for **five passengers** and is designed with premium materials and modern ergonomics. Key comfort features include **automatic climate control, panoramic view monitor, Parking Assist, and a multifunction steering wheel**. The SUV is also equipped with **21-inch BMW alloy wheels** and a **head-up display**, combining practicality with a premium driving atmosphere.

Technology and Safety

The BMW X5 xDrive 35d M-Sport comes with advanced safety and driver assistance systems, including **collision prevention, intelligent parking assistance, and lane support features**. Bright LED headlights ensure excellent visibility, while BMW's **Intelligent Safety package** enhances driver confidence. Together, these technologies create a safe, luxurious, and sporty SUV experience.
