BMW M4 Coupe Competition M xDrive - 01/2023

General Overview:

The 2023 BMW M4 Coupe Competition M xDrive, finished in classic **Alpine White III**, is a high-performance sports coupe that blends aggressive styling, motorsport-derived engineering, and everyday usability. This specific unit was a dealer demonstration car, non-smoking, and comes equipped with premium black leather upholstery and a Harman Kardon surround sound system, offering both thrill and comfort.

Performance and Handling:

Under the hood, the M4 Competition is powered by a **3.0-liter** twin-turbocharged inline-six engine delivering a commanding **510 horsepower** and 650 Nm of torque. Power is sent to all four wheels through BMW's M xDrive all-wheel-drive system and an 8-speed M Steptronic automatic transmission. This setup propels the car from 0 to 100 km/h in just 3.5 seconds, with active M differential and adaptive M suspension ensuring razor-sharp handling and stability under all driving conditions.

Interior and Features:

Inside, the M4 offers a cockpit focused on both luxury and performance. The cabin is upholstered in **black Merino leather**, with carbon fiber accents and M-specific detailing throughout. Standard features include heated power-adjustable M sport seats, a 12.3-inch digital instrument cluster, a 14.9-inch curved infotainment display with iDrive 8, wireless Apple CarPlay and Android Auto, and ambient lighting. The Harman Kardon premium audio system delivers crisp and immersive sound, perfect for daily driving or spirited weekend drives.

Safety and Driver Assistance:

Safety systems include adaptive cruise control, lane departure warning, front and rear Park Distance Control (PDC), rearview camera, and frontal collision warning with automatic emergency braking. M xDrive settings and M Drive Professional also provide selectable drive modes and performance tracking for both road and track use.

Exterior Design:

With its wide stance, bold kidney grilles, sculpted bodywork, and aerodynamic enhancements, the M4 Competition looks every bit the part of a track-capable machine. This model rides on staggered M forged alloy wheels, and features signature M quad tailpipes, adaptive LED headlights, and aggressive air intakes for improved engine cooling and downforce.
