BMW 1 Series 118i Play DCT - 11/2022

General Overview:

The 2022 BMW 1 Series 118i Play, finished in classic **Alpine White**, is a stylish and dynamic premium hatchback designed for both urban versatility and enjoyable daily driving.

Performance and Driving Dynamics:

Under the hood, the 118i Play is equipped with a **1.5-liter 3-cylinder turbocharged petrol engine**, producing **136 horsepower** and **220 Nm** of torque. Power is delivered to the front wheels through a **7-speed DCT (dual-clutch transmission)**, offering smooth and efficient gear changes. The lightweight chassis and responsive steering deliver a balanced and engaging drive, making it well-suited for both city streets and open roads.

Interior and Features:

Inside, the cabin blends premium materials with modern BMW technology. A **10.25-inch navigation screen** serves as the central hub for infotainment, featuring BMW's iDrive system, voice control, and smartphone connectivity (Apple CarPlay & Android Auto). The Play trim includes fabric seats with contrast stitching, a multifunction steering wheel, automatic climate control, and ambient interior lighting, all contributing to a clean and comfortable interior experience.

Safety and Assistance Systems:

The 118i Play includes a solid suite of safety and driver assistance systems. Standard features include front and rear parking sensors, lane departure warning, forward collision warning with autonomous braking, and cruise control with brake function. These systems work together to enhance daily driving safety and confidence.

Exterior Design:

Sitting on **17-inch aluminum alloy wheels**, the 1 Series Play boasts sporty proportions with BMW's signature kidney grille, LED headlights, and aerodynamic body lines. The Alpine White finish highlights the sharp contours and elegant stance of the car, giving it a refined and youthful presence.
