

BMW XM , 2023

BMW XM Base - 07/2023

Exterior:

The **2023 BMW XM Base** presents a bold and unmistakable design, blending luxury and performance with a distinctive character. The front features a large illuminated kidney grille, slim adaptive LED headlights, and sculpted air intakes. Muscular lines flow along the sides, complemented by a sloping roofline and stacked quad exhaust outlets at the rear. Sitting on 23-inch alloy wheels, the XM exudes a commanding presence as BMW M's flagship electrified SUV.

Performance and Efficiency:

The XM is powered by a **4.4-liter twin-turbocharged V8 engine** combined with an electric motor, delivering a **total system output of 653 PS (480 kW)** and **800 Nm** of torque. The petrol engine alone produces **489 PS (360 kW)** at 6000 rpm. Power is sent through an 8-speed M Steptronic transmission and the M xDrive all-wheel-drive system. Acceleration from 0 to 100 km/h takes just **4.3 seconds**. A 25.7 kWh lithium-ion battery enables up to **88 km** of electric-only driving (WLTP), making it a true **plug-in hybrid** SUV with strong efficiency and performance balance.

Interior and Features:

The cabin offers a blend of luxury and avant-garde styling, with premium materials including Merino leather and Alcantara, a sculpted roof with ambient lighting, and a curved BMW display. The **14.9-inch touchscreen** and **12.3-inch digital cluster** run the latest iDrive 8 interface. Key features include **Bowers & Wilkins Diamond Surround Sound, heated and ventilated seats, 4-zone climate control, wireless Apple CarPlay and Android Auto,** and a **panoramic glass roof**. The **electric tailgate** ensures convenient cargo access.

Technology and Safety:

This base-grade BMW XM includes advanced systems such as **adaptive cruise control, lane keeping assist, blind spot monitoring,** and **autonomous emergency braking**. A **rear camera, 360-degree surround view system,** and **automatic parking assist** provide superior visibility and driver support. With the XM, BMW introduces cutting-edge electrified performance in a full-size luxury SUV with flagship-level technology and exclusivity.
