Overview

This BMW X7 xDrive40d from 2023 is a premium SUV powered by a 3.0-liter Diesel-Hybrid engine producing 363 hp. Offered as a used car with low mileage (14,230 km) from a single previous owner, it is available for sale through a professional car dealership. It represents a luxury option for buyers seeking a high-end, spacious SUV in Cyprus.

Driving Performance

The vehicle is equipped with an automatic transmission and a 4WD (xDrive) drivetrain paired with a powerful 3.0L Diesel-Hybrid powertrain. This configuration delivers exceptional stability, strong performance, and controlled driving characteristics in all conditions.

Interior and Equipment

Finished with an elegant brown interior, the spacious cabin comfortably accommodates seven passengers across three rows. Designed for supreme comfort, it is fully equipped for both daily city driving and extended family travel.

Technologies and Assistants

Standard safety, navigation, and driver assistance systems are integrated to ensure controlled and effortless driving. Modern infotainment and connectivity features support the driver and passengers in typical urban and highway journeys.

Exterior

The body is a full-size SUV finished in classic black. Its commanding exterior presentation perfectly matches the prestige and premium positioning of the BMW X7

in Cyprus.
