BMW iX3 M Sport – 04/2022

General Overview:
The 2022 BMW iX3 M Sport is a cutting-edge electric SUV that combines sporty performance with the luxury and advanced features BMW is known for. Released in April 2022, this model features a sleek, aerodynamic design with modern touches and offers a perfect blend of versatility and excitement. The **M Sport** package enhances the iX3 with performance upgrades and unique styling details, making it a standout choice for those seeking a dynamic electric driving experience.

Performance and Efficiency:
The iX3 M Sport is powered by a **74 kWh battery** that drives two electric motors, delivering **286 horsepower** and **400 Nm of torque**. The all-wheel-drive system provides excellent traction and stability, especially in challenging road conditions. The vehicle accelerates from 0 to 100 km/h in just **6.8 seconds**, offering both impressive performance and smooth driving dynamics. The estimated real-world range is **460 km** (approximately **286 miles**) under typical driving conditions, making it a reliable companion for both daily commutes and longer journeys. The iX3 supports **DC fast charging**, which can charge the battery to **80%** in just **34 minutes**.

Interior and Features:
Inside, the iX3 M Sport offers a spacious, premium cabin with high-quality materials and cutting-edge technology. The cabin features **sports seats** with **Merino leather upholstery**, adding to the luxurious feel. A standout feature is the **12.3-inch digital instrument cluster**, which provides essential driving information with sharp clarity. The **iDrive 7.0 infotainment system** is controlled via a **12.3-inch touchscreen**, which supports Apple CarPlay, Android Auto, and provides a seamless connection to various media and apps. The **M Sport** trim includes unique interior accents and upgraded trim elements that add a sporty flair to the design.

Safety and Driver Assistance:
The BMW iX3 M Sport comes equipped with an extensive suite of driver assistance systems, including **adaptive cruise control**, **lane-departure warning**, **blind-spot monitoring**, and **automatic emergency braking**. These features enhance safety, providing peace of mind for both the driver and passengers. Additionally, the iX3 includes **360-degree parking cameras** and **parking sensors**, making parking and tight maneuvers easier and safer.

Exterior Design:
The exterior of the 2022 BMW iX3 M Sport features a bold and athletic design, with a distinctive **kidney grille**, **LED headlights**, and aerodynamic lines that enhance both style and efficiency. The **M Sport package** adds exclusive touches such as larger **19-inch alloy wheels**, **M Sport bumpers**, and unique side skirts, giving the iX3 a more aggressive stance. The vehicle's dimensions provide a balance between comfort and practicality, with a length of **4,734 mm**, width of **1,891 mm**, and height of **1,667 mm**
