BMW M5 , 2025

BMW M5 CS Plug-In Hybrid – Isle of Man Green – 2025

General Overview:
The 2025 **BMW M5 CS Plug-In Hybrid**, finished in the eye-catching **Isle of Man Green**, is a high-performance sports saloon with an electrified powertrain. Representing the pinnacle of BMW's M engineering, this model combines an aggressive motorsport-inspired design, aerodynamic refinements, and everyday practicality. Distinctive styling elements include **20"/21" 951 M black forged wheels**, **Dark Silver M accents**, and **high-gloss red M brake calipers**, which visually underline its track-ready character.

Performance and Powertrain:
Under the hood lies a **4.4-liter twin-turbocharged V8 engine**, paired with an electric motor for a combined output of **717 horsepower** and **1,000 Nm of torque**. Power is sent to all four wheels via **BMW's M xDrive all-wheel-drive system** and an 8-speed automatic transmission. The result is a **0–100 km/h time of just 3.5 seconds**, with a top speed of **305 km/h**. With its tuned suspension and carbon-ceramic brakes, the M5 CS delivers thrilling driving precision and remarkable stability.

Hybrid Efficiency and Battery:
Equipped with a **22.1 kWh battery** (**18.6 kWh usable**), the M5 CS PHEV offers up to **68 km** of electric-only range—perfect for zero-emissions city driving. Its plug-in hybrid configuration allows it to achieve an impressive **fuel consumption of just 1.6 L/100 km**, making it one of the most efficient cars in its class when used to its full potential.

Interior and Features:
Inside, the M5 CS features a motorsport-inspired yet luxurious cabin. Highlights include **carbon fiber trim**, exclusive **M bucket seats** front and rear, a fully digital instrument cluster, and BMW's latest infotainment system with navigation, hybrid monitoring, and **Apple CarPlay** integration. A panoramic display keeps the driver informed with performance and range data.

Practicality and Dimensions:
Despite its high-performance nature, the M5 CS remains a comfortable **grand tourer**. It accommodates **5 passengers**, provides **466 liters of boot space**, and features a **60-liter fuel tank**. With a **3,006 mm wheelbase**, it offers excellent rear seat comfort, while its **115 mm ground clearance** gives it a low, planted, and sporty stance.

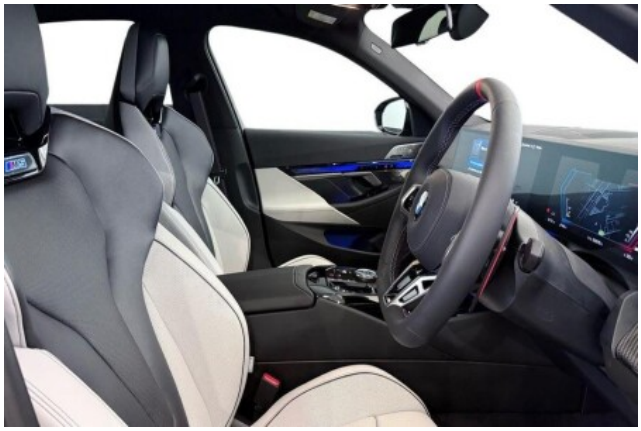

Specifications:

ID: YIW-319
Final Price: 168000.00 EUR
Interior Color: White
Number of Seats: 5
Steering Side: Right
Condition: New
