# BMW M5 , 2022

**BMW M5 Competition 4.4 4WD – 07/2022**

**General Overview:**
The 2022 BMW M5 Competition, presented in elegant **Alpine White**, is a high-performance sports sedan that embodies the essence of BMW's M division—delivering razor-sharp handling, immense power, and everyday usability.  With its subtle yet aggressive design, the M5 Competition makes a bold statement without sacrificing comfort or sophistication.

**Performance and Handling:**
Under the hood, the M5 Competition houses a **4.4-liter twin-turbocharged V8 engine** producing an astonishing **625 horsepower** and **750 Nm of torque**. Power is sent to all four wheels via the **M xDrive** all-wheel-drive system, paired with an 8-speed M Steptronic automatic transmission. The result is explosive acceleration: 0 to 100 km/h in just **3.3 seconds**. With multiple drive modes, including a rear-wheel-drive mode for purists, the M5 delivers both track-ready thrills and refined road manners. M-specific adaptive suspension and Active M Differential enhance precision and stability at all speeds.

**Interior and Features:**
The cabin is an elegant fusion of motorsport DNA and luxury craftsmanship. Premium **Merino leather upholstery**, M multifunction front sport seats with heating and ventilation, and carbon fiber interior trim are all standard. The digital cockpit includes a 12.3-inch instrument cluster and a central touchscreen featuring BMW's iDrive 7.0 system with navigation, Apple CarPlay, Android Auto, gesture control, and wireless charging. Harman Kardon surround sound and ambient lighting enhance comfort and connectivity on every journey.

**Safety and Assistance Systems:**
Safety is robust, with features such as adaptive cruise control, lane departure warning, forward collision mitigation, blind-spot monitoring, surround-view cameras, and front and rear parking sensors. These technologies ensure driver confidence and security under varying driving conditions.

**Exterior Design:**
Visually, the M5 Competition combines elegance and aggression. Its **Alpine White** paintwork is complemented by gloss black accents on the kidney grilles, mirror caps, and rear diffuser. The body is lowered compared to the standard 5 Series, and 20-inch

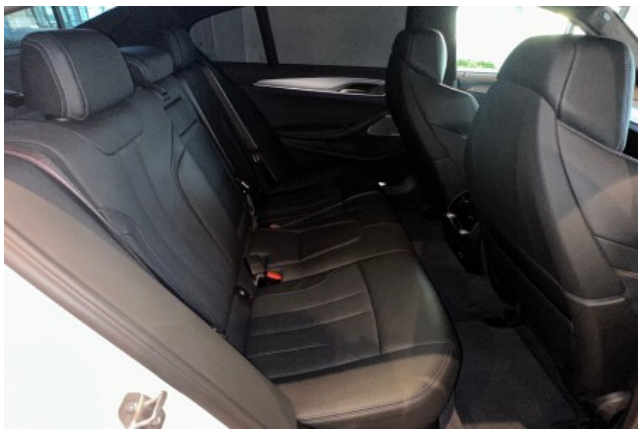

M light-alloy wheels complete its muscular, confident stance. Quad black chrome exhaust outlets and M-specific aerodynamic enhancements hint at the power within.

## Specifications:

ID: YQK-163
Final Price: 110500.00 EUR
Interior Color: Black
Number of Seats: 5
Steering Side: Right
Condition: New
