BMW M3 3.0 xDrive Touring Competition M – 09/2024

Exterior:
The **2024 BMW M3 Touring Competition xDrive** blends high performance with the versatility of a premium sports wagon. It features aggressive M-specific bodywork, including a large kidney grille, sculpted front bumper with wide air intakes, flared wheel arches, quad exhaust tips, and a roof spoiler. The Touring variant offers added practicality while maintaining the signature athletic stance, riding on 19-inch front and 20-inch rear M light-alloy wheels.

Performance and Efficiency:
Under the hood is a 3.0-liter twin-turbocharged inline-six engine producing **510 horsepower (375 kW)** and **650 Nm** of torque. Power is delivered through an 8-speed M Steptronic automatic transmission and BMW's **xDrive all-wheel-drive** system, which includes a selectable rear-wheel-drive mode for purists. This Touring accelerates from 0 to 100 km/h in just **3.6 seconds**, making it one of the fastest wagons available. Despite the power, the car maintains respectable efficiency with a combined fuel consumption of around **10.1–10.4 L/100 km** (WLTP).

Interior and Features:
Inside, the M3 Touring features M sport seats in Merino leather, carbon fiber trim, and the BMW Curved Display, combining a 12.3-inch digital instrument panel with a 14.9-inch touchscreen running iDrive 8.5. Standard features include **wireless Apple CarPlay and Android Auto**, heated front and rear seats, tri-zone climate control, and a Harman Kardon premium audio system. The wagon layout offers a **500-liter luggage capacity**, expandable to over 1,500 liters with rear seats folded.

Technology and Safety:
The M3 Touring is equipped with advanced safety and driver assistance systems, including **adaptive cruise control**, **lane keeping assist**, **blind spot monitoring**, **surround view cameras**, and **automatic parking assist**. The xDrive system provides superior traction and control, while the M adaptive suspension and configurable M drive modes allow precision handling on both road and track. This model seamlessly merges daily usability with motorsport-grade performance.
