Overview

This BYD ATTO 3 from 2023 is a 5-door off-road SUV with an all-electric powertrain, offered as a used car for sale through a professional car dealership. It represents an accessible, eco-friendly option for buyers seeking an all-electric compact crossover with strong standard equipment.

Driving Performance

The vehicle is equipped with an automatic transmission and a 2WD drivetrain powered by an electric motor. This configuration delivers instant torque, quiet operation, and smooth urban maneuverability.

Interior and Equipment

The interior accommodates up to five passengers with genuine leather seating, heated electric front seats, and HDD navigation. The cabin includes wireless charging, a digital rearview mirror, and comfort features tailored for daily driving.

Technologies and Assistants

Key driver assistance systems are installed, including Adaptive Cruise Control, collision mitigation braking, and a 360-degree all-around camera system. These technologies support safer, controlled maneuvering in traffic and tight parking spaces.

Exterior

The body is a 5-door crossover finished in Pearl White. It features LED headlights, a glass panoramic sunroof, and factory aluminum wheels.
