Overview

This BYD Dolphin Long Range from 2025 is a 5-door hatchback with an all-electric powertrain, offered as a used car (former demo vehicle) for sale through a dealership. It represents an accessible, feature-packed option for buyers seeking an eco-friendly electric compact hatchback with long-range capability.

Driving Performance

The vehicle is equipped with an automatic transmission and a 4WD drivetrain powered by an electric motor. This configuration delivers instant acceleration, smooth power delivery, and confident traction in various driving conditions.

Interior and Equipment

The interior accommodates up to five passengers with genuine leather seating, ventilated/heated front seats, and a heated steering wheel. The cabin is outfitted with a 12.8-inch display screen, Apple CarPlay/Android Auto support, a dashcam, and V2H compatibility.

Technologies and Assistants

A full suite of safety functions is integrated, including Adaptive Cruise Control, Lane Keep Assist, Blind Spot/Rear Traffic Monitor, and a 360-degree camera system. These features provide enhanced driver confidence and assistance in both dense traffic and daily parking maneuvers.

Exterior

The body is a 5-door hatchback presented in a two-tone Ski White / Urban Gray finish. It features a fixed glass roof, LED headlights, and stylish factory alloy wheels.
