Chevrolet Camaro , 2022

Chevrolet Camaro LT RS – 02/2022

Exterior:
The 2022 **Chevrolet Camaro LT RS** features a sleek and aggressive design, with **20-inch machined-face aluminum wheels**, a **polished black grille with Galvano chrome lower inserts**, and **dark-tinted LED taillamps**. The **RS package** includes a **decklid-mounted lip spoiler** and **rear diffuser**, enhancing its sporty appearance. **High-intensity LED headlamps** and **black front and rear bowtie emblems** complete the bold look.

Performance and Efficiency:
Equipped with a **2.0L turbocharged inline-4 engine** producing **275 horsepower** and **295 lb-ft of torque**, the LT RS delivers an exciting driving experience. It comes with an **8-speed automatic transmission**, ensuring smooth shifting and efficient performance. The rear-wheel-drive configuration guarantees responsive handling. The Camaro LT RS offers an estimated **19 MPG city / 29 MPG highway**, balancing power with fuel efficiency.

Interior and Features:
Inside, the **Camaro LT RS** features a **7-inch touchscreen infotainment system**, supporting **Android Auto** and **Apple CarPlay** for seamless smartphone integration. The cabin is equipped with **cloth upholstery**, **manual air conditioning**, and a **6-speaker audio system**. Additional features include **cruise control**, **power windows**, and **remote keyless entry**, ensuring comfort and convenience.

Technology and Safety:
The **Chevrolet Camaro LT RS** comes with standard safety features like a **rearview camera**, **StabiliTrak stability control**, and **Teen Driver technology**. Optional advanced safety features include **blind-spot monitoring**, **rear cross-traffic alert**, and **forward collision alert**, offering enhanced safety on the road.
