2-door coupe, 2 seats, plug-in hybrid powertrain with 3000cc V6 twin-turbo engine (Hybrid), F1 dual-clutch transmission (8AT), rear-wheel drive (2WD), right-hand drive, special color Blu Abu Dhabi, Power steering, ABS, Cruise Control, Obstacle Sensors, Airbags: Driver/Passenger/Side, Electronic Stability Control, Anti-theft device, Automatic High Beam, Adaptive LED headlights, Suspension lifter (front axle lift system), Carbon fiber exterior and interior trim, Carbon fiber upper tunnel, Carbon fiber steering wheel with LED shift lights (Daytona style), Carbon fiber racing seats, Genuine leather interior, Dual-zone climate control, Display Audio with Apple CarPlay / Android Auto, Navigation system, Music server, Smartphone connectivity, ETC, Keyless entry, Smart Key, Power windows, Aluminum wheels, Ferrari Official Warranty Succession.

Overview

The Ferrari 296 GTB F1 DCT 09/2025 is a cutting-edge plug-in hybrid supercar that blends breathtaking performance with advanced technology and exquisite Italian craftsmanship. %READMORE% Finished in the rare and striking Blu Abu Dhabi special color, this right-hand-drive example features an exceptional specification including carbon fiber racing seats, suspension lifter, and Ferrari warranty succession, making it a highly desirable collector-grade vehicle.

Driving Performance

At the heart of the 296 GTB lies a revolutionary 3.0-liter twin-turbo V6 paired with an electric motor, producing a combined output of 830 horsepower. The F1 8-speed dual-clutch transmission delivers lightning-fast gear changes, while rear-wheel drive ensures pure and engaging dynamics. The advanced hybrid system enhances both performance and efficiency, offering electrified driving capability alongside Ferrari's signature exhilarating acceleration and sound.

Interior and Comfort

The driver-focused cockpit features carbon fiber racing seats and a carbon fiber steering wheel with integrated LED shift lights, inspired by Ferrari's Formula 1 heritage. Premium leather finishes, advanced digital displays, and intuitive controls create a luxurious yet purposeful environment. Dual-zone climate control and modern connectivity ensure comfort and convenience for everyday usability.

Technology and Safety

Equipped with Ferrari's advanced electronics, the 296 GTB includes electronic stability control, traction management systems, cruise control, and a suite of safety features. Adaptive LED headlights provide superior visibility, while parking sensors and driver assistance technologies enhance everyday usability. Smartphone integration and a high-quality infotainment system complete the cutting-edge technological package.

Exterior

The sculpted aerodynamic bodywork of the Ferrari 296 GTB is finished in the exclusive Blu Abu Dhabi special color, highlighting its elegant proportions and aggressive stance. Carbon fiber elements, adaptive LED headlights, and lightweight aluminum wheels emphasize performance and precision, while the iconic Ferrari design language ensures an unmistakable presence on the road.
