Ford Mustang Mach 1 6MT - 04/2023

Exterior

This Ford Mustang Mach 1 is finished in **Gray**, emphasizing its aggressive muscle car design and aerodynamic performance package. The bold coupe styling is enhanced with **LED headlights, front fog lamps, and aluminum wheels**, reflecting its track-inspired character while maintaining road presence.

Performance and Driving Dynamics

Equipped with a **5.0-liter V8 petrol engine** paired with a **6-speed manual transmission (6MT)**, the Mach 1 delivers exhilarating performance with precise driver engagement. The rear-wheel drive layout ensures pure sports car dynamics, while advanced suspension tuning enhances both track performance and daily driving.

Interior and Comfort

Inside, the Mustang Mach 1 offers a driver-focused cockpit with **genuine leather sport seats, electric adjustments** for added comfort. The ergonomically designed cabin features **SYNC3 infotainment** with **Apple CarPlay/Android Auto**, premium audio integration, and intuitive controls that enhance both performance driving and everyday usability.

Technology and Safety

This model is well-equipped with modern safety and convenience features, including **ABS, cruise control, collision mitigation system, anti-skid and anti-theft devices**, as well as **airbags for driver, passenger, side, and curtain**. Additional highlights include a **rear-view camera, obstacle sensors, smart key access, and power windows**.
