

Genesis GV80 , 2021

Genesis GV80 2021

Safety and Driver Assistance Systems: The vehicle is equipped with Electronic Parking Brake (EPB) with Auto Hold, Lane Following Assist (LFA), Rear Cross-Traffic Collision Avoidance Assist (RCCA), and Driver Attention Warning (DAW). Additional features include Forward Collision Alert (FCA) with pedestrian and cyclist detection, Blind-Spot Collision Avoidance Assist (BCA), Lane Keeping Assist (LKA) with road edge detection, Smart Cruise Control (SCC-R) with start-stop functionality, and a tyre pressure monitoring system with individual readings. Front and rear parking sensors and a rearview camera with dynamic guidelines provide enhanced maneuverability.

Comfort and Interior: The cabin is adorned with Leather with Punching in Obsidian Black and Vanilla Beige, along with Black Ash real wood trim. The Comfort Seat Pack includes 12-way power-adjustable front seats, heated and ventilated front and rear seats, a rear auto air-conditioning system with 3-zone climate control, and manually operated side curtains. The vehicle features an 8-inch color LCD cluster display with analog gauges, ambient lighting, an electrochromic rearview mirror, and a walk-in switch for easy rear seat adjustment.

Exterior: Finished in an elegant grey exterior, this GV80 rides on 22-inch alloy wheels and includes power-folding, heated, and electrochromic outside mirrors with Genesis logo puddle lamps. The trailer package enhances towing capability, while the hands-free power tailgate adds convenience.

Performance: The vehicle features an Electronic Limited Slip Differential (eLSD) for improved traction and stability, along with a Preview Electronically Controlled Suspension (ECS) that adjusts damping in real time for a smoother and more controlled ride.

Technology and Multimedia: The Genesis GV80 is equipped with a 14.5-inch AV Navigation system with Apple CarPlay and Android Auto, Bluetooth hands-free phone and audio streaming, and a telematics system. The Lexicon premium audio system with 9 speakers ensures an immersive listening experience.

Lighting: The GV80 comes with full LED headlights, LED daytime running lights (DRLs), and Smart High Beam Assist (HBA) for improved visibility and road safety.
