Honda Fit 1.5 e:HEV Home Casa - 10/2022 (Black)

General Overview:

The 2022 Honda Fit 1.5 e:HEV Home Casa edition, finished in black grey, is a compact hybrid hatchback designed to deliver outstanding urban efficiency, smart technology, and premium comfort. As part of the “Casa” limited package under the Home trim, this version adds refined touches such as exclusive embroidered seats and upgraded interior materials, combining sophistication with Honda's everyday practicality.

Performance and Hybrid Efficiency:

This model is powered by a **1.5-liter petrol engine** paired with an electric motor as part of Honda's self-charging **e:HEV hybrid system**, producing a combined **120 horsepower**. The system intelligently switches between electric-only, hybrid, and engine modes to optimize efficiency and performance. Perfect for city driving, the Fit Casa provides smooth, quiet acceleration and low fuel consumption, especially in stop-and-go traffic.

Interior and Features:

Inside, the “Casa” variant stands out with premium **embroidered fabric seats**, a black-themed cabin, and refined soft-touch materials. A digital instrument panel, multifunction steering wheel, and Honda's navigation-ready infotainment interface make the interior both functional and stylish. The flexible “Magic Seats” in the rear allow for versatile cargo and passenger configurations, enhancing daily usability.

Technology and Driver Assistance:

Equipped with the full Honda Sensing safety suite, this Fit offers adaptive cruise control, collision mitigation braking system, lane keeping assist, traffic sign recognition, and more. It also includes push-button start, keyless entry, and automatic climate control to boost driver convenience on every trip.

Exterior Design:

The black exterior finish gives the Fit Home Casa a sleek and confident urban appearance. Compact dimensions, flowing body lines, and LED headlights create a modern and efficient silhouette. Subtle “Casa” details set this limited-edition model apart, making it a unique and stylish option in the hybrid hatchback segment.
