

Honda CR-V , 2021

Honda CR-V e:HEV EX Honda SENSING 2.0L Hybrid 4WD - 12/2021

General Overview

The **Honda CR-V e:HEV EX** is a refined **Hybrid SUV** that blends **efficiency, practicality, and advanced technology**. Finished in **Black**, this 2021 model is designed for **modern families** and drivers who value **comfort, versatility, and fuel economy**.

Performance and Driving Dynamics

Powered by a **2.0-liter petrol engine** combined with an **electric motor** for a **total system output of 184 horsepower**, the CR-V delivers **smooth acceleration** and **excellent efficiency**. The advanced **e:HEV hybrid system** ensures **quiet electric driving** in the city, while the **4WD system** provides **traction and stability** on various road conditions.

Interior and Comfort

The cabin offers a **premium and spacious interior**, featuring **power-adjustable seats, high-quality upholstery, and smart storage solutions**. Honda's **ergonomic design** ensures **long-distance comfort** for both driver and passengers, making it perfect for **family trips and daily commuting**.

Technology and Safety

Equipped with the advanced **Honda SENSING** safety suite, the CR-V includes **Adaptive Cruise Control, Lane-Keeping Assist, Collision Mitigation Braking, and Blind Spot Monitoring**. A **large infotainment screen, integrated navigation**, and **smartphone connectivity (Apple CarPlay/Android Auto)** deliver **seamless convenience and connectivity**.

Exterior

The exterior design combines **modern elegance with practicality**. **LED headlights, aerodynamic lines, and stylish alloy wheels** emphasize its **premium presence**, while the **compact yet commanding SUV proportions** ensure it stands out both in **city traffic** and on the **open road**.
