### Overview

The **Honda Civic Type R 11/2025** represents the latest evolution of Honda's legendary high-performance hatchback, combining precision engineering with everyday usability. %READMORE% Finished in elegant Crystal Black Pearl and presented in near-new condition with only delivery-level mileage, this example offers a rare opportunity to own a flagship front-wheel-drive sports model with documented history and one-owner status.

### Performance and Driving

At its heart is a 2.0-liter turbocharged VTEC engine paired with a 6-speed manual transmission, delivering sharp throttle response and direct driver engagement. The advanced front-wheel-drive chassis, sport-tuned suspension, and performance braking system provide exceptional cornering stability and confident high-speed control.

### Interior and Comfort

The driver-focused cockpit features supportive sport seats and intuitive controls. Integrated navigation with Full-Seg TV, Bluetooth connectivity, steering wheel remote functions, and a high-resolution display system ensure both performance-oriented and daily driving comfort.

### Technology and Safety

Equipped with Honda SENSING, including Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking System. Blind Spot Monitoring and Rear Traffic Alert enhance safety in urban and highway environments.

## Exterior

The aggressive aerodynamic styling, genuine 19-inch alloy wheels, LED lighting signature, and bold Type R detailing highlight its motorsport heritage while maintaining a refined modern presence.
