Overview

This Honda CR-V 2.0 e:HEV EX Black Edition from 2022 is an off-road SUV with a hybrid powertrain. It represents a versatile and practical option for buyers considering a comfortable compact hybrid SUV.

Driving Performance

The vehicle is equipped with an automatic transmission and a 2WD drivetrain powered by a 2000cc engine. This configuration delivers efficient, smooth, and controlled driving characteristics.

Interior and Equipment

The interior accommodates five passengers across 5 doors and is configured for everyday comfort. The cabin features genuine leather seats with electric adjustment and heating, alongside keyless access, smart key entry, and power windows to support daily driving and longer journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Accelerator Pedal Misapplication Prevention, a backup camera, and Blind Spot/Rear Traffic Monitoring—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The body is an off-road SUV finished in Platinum White Pearl. Its exterior presentation is highlighted by LED headlights, front fog lights, a sunroof/glass roof, and aluminum wheels that enhance the refined look of the Honda CR-V Black Edition.
