Honda Accord 2.0 EX e:HEV – 2022

Exterior: The **2022 Honda Accord 2.0 EX e:HEV** combines sophistication and sporty presence in a sleek hybrid sedan. It showcases Honda’s elegant design language with a bold chrome-accented grille, sharp LED headlights, and clean flowing lines. The side profile is enhanced by a factory sunroof and distinctive **Espeliasus RMP 20-inch** alloy wheels, giving it a premium and dynamic look. Subtle chrome trim and sculpted body panels further emphasize its refined character.

Performance and Efficiency: This Accord is powered by a **2.0-liter i-VTEC Atkinson-cycle petrol engine** paired with Honda’s advanced **e:HEV hybrid system** , delivering a combined output of approximately **215 hp**. The hybrid drivetrain provides smooth, quiet, and responsive performance while achieving excellent fuel efficiency, making it ideal for both city and highway driving. Regenerative braking and intelligent power management enhance its eco-friendly credentials.

Interior and Features: The cabin offers a spacious, refined, and ergonomic environment, finished with high-quality materials and thoughtful design. Equipped with a factory infotainment system, premium audio, dual-zone automatic climate control, and comfortable seating for five, it ensures comfort and convenience. Features include smart keyless entry, push-button start, multifunction steering wheel, factory navigation, and a sunroof that adds a sense of openness and luxury. Generous rear legroom and a large trunk make it highly practical as well.

Technology and Safety: The Accord EX e:HEV is equipped with **Honda Sensing** advanced safety and driver-assist technologies, including adaptive cruise control, collision mitigation braking system, lane keeping assist, blind-spot monitoring, and parking sensors. A rearview camera and smart assist features provide confidence and ease in every driving situation.
