

Honda Civic , 2025

Honda Civic RS 2025 (Manual Transmission)

Safety and Features:

The vehicle is equipped with **ABS**, alloy wheels (**AW**), power steering (**PS**), power windows (**PW**), airbags, as well as a **navigation system and TV**. The package also includes a **warranty and user manual**.

Performance and Engine:

The **1.5-liter turbocharged engine** delivers excellent dynamics and responsiveness. The **6-speed manual transmission (MT6)** provides full control over acceleration, while the **sport-tuned suspension** enhances handling, making the car an excellent choice for driving enthusiasts.

Exterior and Color:

The body is finished in **gray (color code NH877P)**, emphasizing the model's elegance and sporty appeal. The **late-model rear spoiler** adds an aggressive touch to the design.

Comfort and Additional Features:

For maximum convenience, the car is equipped with **heated front seats and power adjustment**, along with **genuine floor mats**. The **wireless charger** allows for hassle-free smartphone charging, while the **BOSE audio system** ensures exceptional sound quality.
