Honda Odyssey e:HEV Absolute EX 2.0L Hybrid 2WD - 03/2021

General Overview

The **Honda Odyssey e:HEV Absolute EX** in **Premium Venus Blue Pearl** represents the advanced evolution of Honda's premium family minivan. This late-model hybrid version combines outstanding efficiency with a refined design, offering a spacious and comfortable interior enhanced by the latest technology. Perfect for families and those who value modern convenience, it delivers versatility, safety, and elegance in every journey.

Performance and Driving Dynamics

Powered by a **2.0-liter hybrid e:HEV system**, the Odyssey Absolute EX seamlessly blends petrol and electric performance to provide both power and efficiency. The intelligent hybrid drive ensures smooth acceleration, quiet operation, and excellent fuel economy, making it ideal for both city commutes and long-distance travel. Its front-wheel drive system offers stable handling, while the e:HEV powertrain enhances driving confidence in all conditions.

Interior and Comfort

Inside, the Odyssey provides **7-passenger seating** with premium ergonomics and advanced features. The cabin includes **power front seats**, a **flip-down rear monitor**, and a **factory-installed 9-inch navigation system**, creating a connected and comfortable atmosphere for all occupants. **Hands-free power tailgate** and **power sliding doors on both sides** ensure effortless accessibility, while high-quality finishes make the interior both practical and luxurious.

Technology and Safety

This model is equipped with the full **Honda SENSING suite**, including **adaptive cruise control, collision mitigation braking, lane keeping assist, and blind spot monitoring**, ensuring maximum safety and driver assistance. The **all-around camera system** improves visibility and maneuverability, while **LED headlights** and advanced parking support enhance everyday usability. Together, these systems provide peace of mind and modern sophistication for every journey.
