

Hyundai Ioniq 5 , 2022

Hyundai IONIQ 5 Lounge - 12/2022

General Overview:

The **2022 Hyundai IONIQ 5 Lounge**, finished in distinctive **Teal Blue**, is a forward-thinking all-electric crossover that combines futuristic design, advanced technology, and everyday practicality. Its spacious cabin and sleek silhouette make it a standout in the EV segment, while the Lounge trim adds an extra layer of premium comfort and convenience.

Performance and Efficiency:

As a fully electric vehicle, the IONIQ 5 offers quick, smooth acceleration and a quiet driving experience. This Lounge model is equipped with **adaptive cruise control (ACC)** for semi-autonomous highway driving, along with regenerative braking to help optimize energy usage and extend driving range. The IONIQ 5's efficient EV powertrain is well-suited for both city commuting and longer drives.

Interior and Features:

Inside, the IONIQ 5 features a **clean, minimalistic cabin** with eco-friendly materials and a modern layout. The spacious interior benefits from a **flat floor, sliding center console**, and **wide-screen dual displays** that integrate the digital instrument cluster and infotainment system. Wireless **Apple CarPlay** and Android Auto are included, and the climate system offers multi-zone comfort. The Lounge trim provides upgraded seat materials and additional cabin refinements.

Safety and Assistance Systems:

The vehicle is equipped with a **forward collision-avoidance assist system, lane keeping assist**, and **blind-spot collision warning**, all contributing to a safe and confident driving experience. A rearview camera and rear parking sensors enhance visibility and ease of parking, while the **non-smoking condition** of this unit ensures a clean, fresh interior.

Exterior Design:

The IONIQ 5's bold design includes sharp geometric lines, flush door handles, and distinctive **pixel-style LED lighting**. The **Teal Blue** finish highlights its futuristic aesthetic, making it instantly recognizable on the road. Large alloy wheels and a long wheelbase contribute to both style and cabin space.
