Overview

This Lamborghini Urus SE registered on 17/04/2025 is an SUV powered by a 4.0-liter Plug-in Hybrid Petrol engine, offered for sale by Performance Hub (Dealer) as a new car (1 previous owner, 4,828 miles). It represents a focused option for buyers seeking a high-performance luxury supercar SUV.

Driving Performance

The vehicle is equipped with an automatic transmission (A/T), a 4WD drivetrain, and an 812 hp powertrain. This configuration delivers an exhilarating driving experience alongside stable and controlled handling characteristics.

Interior and Equipment

The black leather interior accommodates five passengers and is configured with premium features including massage, heated, and cooled electric memory seats to ensure maximum luxury and everyday comfort. The cabin layout balances family-friendly SUV practicality with advanced interior technologies.

Technologies and Assistants

Equipped with modern driver assistance systems, including a 360 camera, Park Assistance package, head-up display, and 6 selectable ANIMA driving modes, the car provides excellent driver support in both daily urban traffic and demanding road conditions.

Exterior

The body is an SUV finished in Giallo Auge (Yellow) exterior paint with privacy glass, matte black exhaust tailpipes, yellow calipers, and 23-inch shiny black Galanthus wheels. Its bold exterior styling matches the distinctive supercar character of the

Lamborghini Urus SE.
