Lamborghini Huracán EVO Spyder - 06/2023

Exterior:

The **2023 Lamborghini Huracán EVO Spyder** embodies open-top Italian supercar perfection with a dramatic, aerodynamic design. Its low, aggressive stance features sharp Y-shaped LED headlights, large front air intakes, and a retractable soft-top roof that opens in just 17 seconds at speeds up to 50 km/h. The rear end sports a sculpted diffuser, center-exit exhaust pipes, and an integrated spoiler for added downforce. Rolling on 20-inch Aesir alloy wheels, the EVO Spyder commands attention from every angle.

Performance and Efficiency:

At its heart is a naturally aspirated **5.2-liter V10 engine** producing **631 horsepower (470 kW)** and **600 Nm of torque**. Mated to a 7-speed dual-clutch transmission and **all-wheel drive**, the Huracán EVO Spyder accelerates from **0 to 100 km/h in just 3.1 seconds**, with a top speed of over **325 km/h**. The Lamborghini Dinamica Veicolo Integrata (LDVI) system intelligently coordinates dynamic systems—including torque vectoring and rear-wheel steering—for optimal cornering and stability at all speeds.

Interior and Features:

The cabin blends high-performance functionality with refined luxury. **Sport seats** upholstered in leather and Alcantara provide support during spirited driving, while the **8.4-inch HMI touchscreen** offers control over navigation, media, and climate. Apple CarPlay is supported, and the digital instrument cluster keeps key driving data front and center. A rear power window acts as both wind deflector and an acoustic amplifier for the iconic V10 soundtrack.

Technology and Safety:

The EVO Spyder includes **adaptive LED lighting**, **front and rear parking sensors**, a **rear-view camera**, and **ESC with traction control**. Carbon-ceramic brakes ensure exceptional stopping power, while the chassis and software combine to deliver superior responsiveness. Open-air exhilaration meets everyday usability, making the Huracán EVO Spyder one of the most balanced supercars in Lamborghini's lineup.

Specifications:

ID: QGB-520

Final Price: 295000.00 EUR

Interior Color: Black
Number of Seats: 2
Steering Side: Right
Condition: New
