Lamborghini Huracan , 2024

Lamborghini Huracán Sterrato (LDF) 4WD – 08/2024

General Overview:
The 2024 Lamborghini Huracán Sterrato is a bold reimagining of Lamborghini's iconic supercar, engineered for both high-speed asphalt driving and adventurous off-road performance. Finished in the exclusive **Grigio Acheso** Ad Personam body color, this Sterrato variant merges Italian luxury and aggression with a unique rugged spirit, offering a thrilling driving experience in a category of its own.

Performance and Handling:
Powering the Huracán Sterrato is a naturally aspirated **5.2-liter V10** engine delivering **610 horsepower** and **560 Nm** of torque. Power is sent to all four wheels through a 7-speed Lamborghini Dual Clutch (LDF) transmission, ensuring rapid gear shifts and maximum traction on any surface. Specially tuned suspension, increased ride height, underbody protection, and recalibrated driving modes (including Rally mode) allow the Sterrato to tackle rough terrains while preserving Lamborghini's signature handling precision.

Interior and Features:
Inside, the Sterrato maintains a race-bred yet luxurious atmosphere. It features sport bucket seats upholstered in Alcantara with contrast stitching, a digital cockpit with exclusive off-road telemetry, and lightweight materials throughout the cabin. A bespoke Ad Personam interior program adds further personalization, while premium options like Apple CarPlay integration, a rearview camera, and automatic climate control enhance daily usability.

Safety and Assistance Systems:
The Sterrato is equipped with essential systems such as ABS, traction control, dynamic steering, off-road optimized stability programs, and multiple airbags. A reinforced chassis structure and special off-road tires ensure enhanced durability and safety under extreme conditions.

Exterior Design:
The exterior of the Huracán Sterrato is immediately striking with its raised stance, widened track, robust cladding, roof-mounted air intake, and front LED auxiliary lights. The bold **Grigio Acheso** finish underlines its off-road ambitions while maintaining unmistakable Lamborghini lines. 19-inch wheels wrapped in bespoke Bridgestone Dueler tires complete the aggressive and functional styling, ensuring it looks as potent

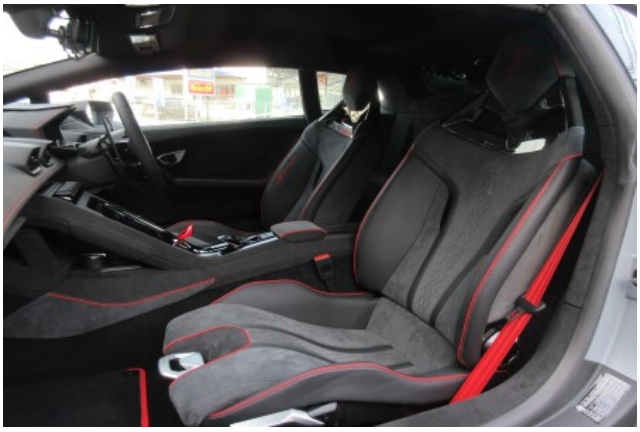

as it drives.

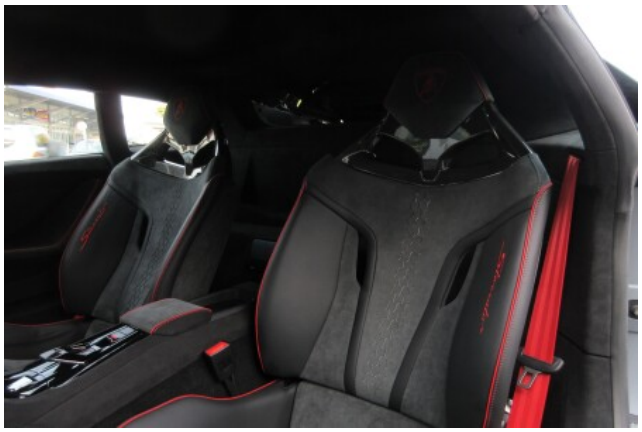

Specifications:

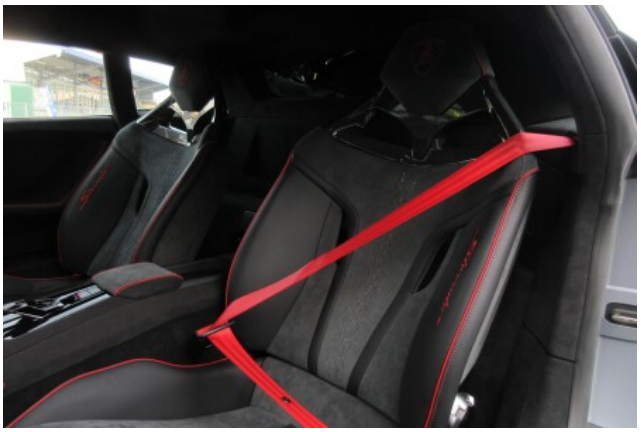

ID: RPI-737
Final Price: 270500.00 EUR
Interior Color: Black
Number of Seats: 2
Steering Side: Right
Condition: New
