Lamborghini Huracan , 2024

Lamborghini Huracán 2024

Safety Equipment: The vehicle is equipped with **full-size dual-stage front airbags, side head and thorax airbags, and side impact bars integrated into the door structure** for maximum occupant protection. **Electronic Stability Control (ESC) with Lamborghini setup and ABS**, along with **Lamborghini Dinamica Veicolo Integrata (LDVI) for optimized rear-wheel drive management, rear-wheel steering (LRWS), torque vectoring, and traction control**, ensure precision handling and enhanced stability. **An anti-theft alarm, immobilizer, and remote central locking (including luggage compartment access)** provide added security. **Autolock functionality and collapsible steering column** enhance overall safety.

Comfort Equipment: The **fully electric and heated comfort seats** offer superior adjustability and support. The **automatic dual-zone air conditioning system with an integrated active carbon filter** ensures an optimal cabin climate. The **multifunction steering wheel in Alcantara with a central mark** enhances grip and driving comfort. **Floor mats, high-quality noise-insulating carpeting, and vanity mirrors in the sun visors** add to everyday convenience. The **electrochromic interior rear-view mirror** automatically adjusts brightness for reduced glare.

Interior: The cabin features a **premium Alcantara and leather interior in Nero Ade with contrast Giallo Taurus stitching** for a refined yet aggressive aesthetic. **Additional Alcantara parts on the upper dashboard and roof lining**, along with **an Alcantara multilayer rear wall**, enhance the interior’s luxurious feel. **The embroidered Lamborghini shield on the headrests** further emphasizes exclusivity. **Fully integrated steering wheel controls, storage compartments in the doors and under the front center console, and closed glove compartments** provide practical usability.

Exterior: The **Matte Green Body Wrap (including shuts)** makes this Huracán stand out, giving it a bold and unique appearance. The **20-inch Damiso Shiny Black alloy wheels with monolock in black** add to the aggressive stance, complemented by **yellow carbon-ceramic brake calipers** and **carbon-ceramic brake discs with internal ventilation and cross-drilling** for high-performance braking. **Rear bumper and diffuser in shiny black (Ad Personam), Lamborghini rear logo in shiny black, and the Style Package in high-gloss black** enhance the car’s

striking design. The **Lifting System** provides additional clearance for navigating bumps and inclines.

Performance: Equipped with **double wishbone independent suspension, magneto-rheological suspension, and electromechanical power steering**, the Huracán delivers precise handling and stability. **Lamborghini rear-wheel steering (LRWS) and Dynamic Steering (LDS)** further improve cornering agility and responsiveness. The **sport exhaust sound system with high-mounted tailpipes in matte black** provides an exhilarating auditory experience.

Technology and Multimedia: The **Lamborghini Touch-Screen Infotainment System with an 8.4-inch portrait-oriented screen** ensures seamless connectivity. The **Full 12.3-inch TFT color display instrument cluster with adaptive visualization** provides real-time driving data. The car features **Bluetooth connectivity, DAB digital radio, multi-media interfaces including USB, and smartphone interface with connected services**. The **4-speaker sound system (2 woofers and 2 tweeters)** offers premium audio performance.

Driver Assistance Systems: The **Driving Dynamics Mode Selector on the steering wheel (STRADA, SPORT, CORSA)** allows drivers to adjust the car’s performance settings based on driving conditions. **Front and rear parking sensors, a rear-view camera, and an onboard trip computer** improve maneuverability. **The TPMS (Tire Pressure Monitoring System)** continuously monitors tire pressure for safety.

Lighting: The **Full-LED Lighting Concept** ensures maximum visibility with sharp, high-intensity lighting.

Specifications:

ID: TWY-331
Final Price: 340000.00 EUR
Interior Color: Black
Number of Seats: 2
Steering Side: Right
Condition: New
