Lamborghini Urus , 2025

Lamborghini Urus 2025

Safety and Driver Assistance Systems: Equipped with the **Full ADAS Package**, ensuring advanced driver assistance features for optimal safety. **Electronic Stability Control (ESC)**, **Electronic Brake Distribution (EBD)**, **Anti-Slip Regulation (ASR)**, and **Electronic Traction Control** provide superior handling and stability. A **Vehicle Tracking System (VTS)** enhances security, while the **anti-theft alarm** adds an extra layer of protection.

Comfort and Interior: The interior features **Q-Citura upholstery** with **Black Anodized Aluminium Inserts**, giving it a refined and sporty aesthetic. **Full electric front seats with ventilation and massage** enhance comfort, while **seat belts in Verde Fauns** add an exclusive touch. The **Big Interior Carbon Package on the front console (Ad Personam, Matt)** and the **Small Interior Carbon Package** further elevate the luxury. The **Soft Close** function ensures effortless door operation.

Exterior: Finished in **Green**, this Urus boasts an aggressive yet elegant look. It rides on **23-inch Pelope rims with titanium bolts, diamond-finished in shiny black** for a striking presence. The **front and rear bumpers, wheel arches, and upper spoiler** are crafted from **carbon fibre**, as is the **Lamborghini frame (Matt, Ad Personam)**. **Privacy glass with acoustic and double glazing** enhances cabin comfort, while the **rear Lamborghini logo in high-gloss black (Ad Personam)** adds a finishing touch.

Performance: The **carbon fibre bonnet air vents** and **rear spoiler** not only improve aerodynamics but also contribute to the car's aggressive styling.

Technology and Multimedia: Equipped with a **Bang & Olufsen Advanced 3D Audio System** for an immersive sound experience. **Bluetooth connectivity**, **DAB radio**, **Apple CarPlay and Android Auto via Lamborghini Smartphone Interface** , and a **Navigation System** ensure seamless connectivity and convenience. The **Head-Up Display (HUD)** provides vital driving information directly in the driver’s field of view.
