Lamborghini Urus , 2023

Lamborghini Urus 2023

Safety and Driver Assistance Systems: The Urus is equipped with Electronic Stability Control (ESC), Anti-Slip Regulation (ASR), Electronic Brake Distribution (EBD), and Electronic Traction Control for enhanced stability and control. It includes a Highway Assistant Package, Urban Road Assistant Package, and a Parking Assistant Package with Remote Park Assist for added convenience. A Vehicle Tracking System (VTS) provides additional security.

Comfort and Interior: The cabin features full electric front seats with ventilation, massage, and heating functions for both front and rear seats. The interior includes a Big Interior Carbon Package on the front console and an Interior Carbon Package on the rear console, enhancing its premium appeal. Additional luxury features include an Ambient Light Package, Cargo Management System, Smoker Package, Soft Close doors, a Sunshine Package, and a Tailgate Handless Opener. The headliner is finished in Alcantara, and the floor mats feature leather piping with double stitching.

Exterior: This Urus comes in a striking red exterior with 23-inch Pelope alloy wheels in Shiny Black and features an Exposed Carbon Fibre Bonnet and Roof. The Lower and Upper Exterior Carbon Packs, Carbon Fibre Mirror Housings, and Carbon Fibre Wheel Arches further enhance its aggressive styling. Privacy Glass with Acoustic and Double Glazing improves insulation and comfort, while a Heat Reflective Windscreen with Heating-Defrosting adds practicality. A Rear Spoiler in Carbon Fibre and an Akrapovic Racing Exhaust provide a sporty touch.

Performance: The vehicle is equipped with Carbon Ceramic Brakes with Black Painted Brake Calipers for exceptional stopping power. The Akrapovic Racing Exhaust system enhances performance and engine sound.

Technology and Multimedia: A Bang and Olufsen Advanced 3D Audio System provides an immersive listening experience. The infotainment system includes a Navigation System, Lamborghini Smartphone Interface with Apple CarPlay and Android Auto, Bluetooth connectivity, and DAB Radio. Additional features include Lamborghini Eye, DAB and Pay TV, and a Colour Touch Screen.

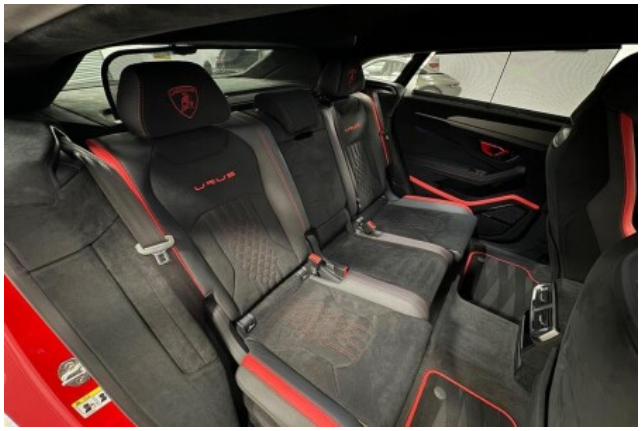

Lighting: The Urus features LED Headlights for superior visibility in all driving conditions.
