Lamborghini Urus , 2024

Lamborghini Urus S 2024

Safety and Driver Assistance Systems: This model features **Intelligent Parking Assistant** for effortless maneuvering in tight spaces and a **Head-Up Display (HUD)** that projects key driving information onto the windshield.

Comfort and Interior: The cabin is equipped with **fully electric front seats with memory**, **heated and ventilated front seats**, and **heated rear seats** for maximum comfort. **Front massage seats** enhance relaxation, while **Q-Citura stitching in Arancio** and **Lamborghini shields embroidered in headrests** add a touch of exclusivity. The **Alcantara headliner** and **carpet floor mats with Arancio stitching** complete the premium interior.

Exterior: This Urus S comes in a striking **Nero Helene** finish with an **Urban Automotive full carbon body kit** that includes **Urban Carbon Fibre extended wheel arches, rear diffuser, side vents, bumper eyebrows, door moldings, lower wing, side sills, upper rear wing, and wing mirrors**. It rides on **24-inch Urban Forged NDS-1 wheels in Gloss Black**, with **brake calipers in Arancio** for a sporty contrast. A **panoramic glass sunroof** adds to the luxurious appeal.

Performance: The SUV is equipped with **Adaptive Air Suspension** for superior ride comfort and handling. A **Milltek Performance Exhaust System** enhances the engine’s sound and performance.

Technology and Multimedia: The **Bang & Olufsen 3D Surround Sound System** delivers an immersive audio experience. The **Lamborghini Smartphone Interface** with **Apple CarPlay and Android Auto** ensures seamless connectivity. **Adaptive LED headlights with AFS and cornering function** provide optimal illumination in various driving conditions.
