Lamborghini Urus , 2024

Lamborghini Urus 2024

Safety Equipment: The vehicle is equipped with **ABS (Anti-lock Braking System), ASR (Anti-Slip Regulation), ESC (Electronic Stability Control), and Electronic Traction Control** to ensure maximum stability and safety under all driving conditions. **Electronic Brake Distribution (EBD)** optimizes braking force, while **airbags for the driver and passenger** provide additional protection. **The Anti-Theft Alarm and Remote Central Locking** enhance security. The car also includes **the Highway Assistant Package and Urban Road Assistant Package** for improved driving assistance. The **Parking Assistant Package with Remote Park Assist** makes maneuvering effortless, allowing the car to park itself remotely.

Comfort Equipment: The **Automatic Dual-Zone Air Conditioning System with an Integrated Active Carbon Filter** ensures a pleasant cabin environment. **Soft-close doors** add a touch of refinement, while the **Multifunction Steering Wheel in Colored Smooth Leather with Heating** enhances comfort during colder drives. The **Bang & Olufsen Advanced 3D Audio System** provides an immersive listening experience. **Cup holders and floor mats matched to the basic color scheme** contribute to everyday convenience.

Interior: The **full leather interior** exudes luxury, featuring the **Q-Citura design on Alcantara and leather** for an exclusive aesthetic. **Optional stitching** allows for a customized look, while the **embroidered Lamborghini logo on the headrests** further emphasizes the car’s premium feel.

Exterior: The **Orange Metallic exterior color** gives the Urus a bold and commanding presence. The **23-inch Ad Personam Taigete Shiny Black alloy wheels with Arancio Argos accent rims** complement its aggressive stance, while **wheel arches painted in body color (Ad Personam) and the Style Package in Shiny Black** enhance its sporty look. Additional customizations include **high-gloss black rear spoiler, high-gloss black mirror housings, and bonnet air vents in matte carbon fiber**. **Brushed steel exhaust tailpipes and orange brake calipers** complete the vehicle's performance-inspired design.

Performance: The **electromechanical power steering system** provides precise control, ensuring an engaging driving experience.

Technology and Multimedia: The vehicle is equipped with **Lamborghini’s Smartphone Interface, supporting Apple CarPlay and Android Auto**. The

Navigation System ensures seamless route planning, while **the Head-Up Display (HUD)** provides crucial driving information directly in the driver’s line of sight. The **LED daytime running lights and headlights** guarantee optimal visibility.

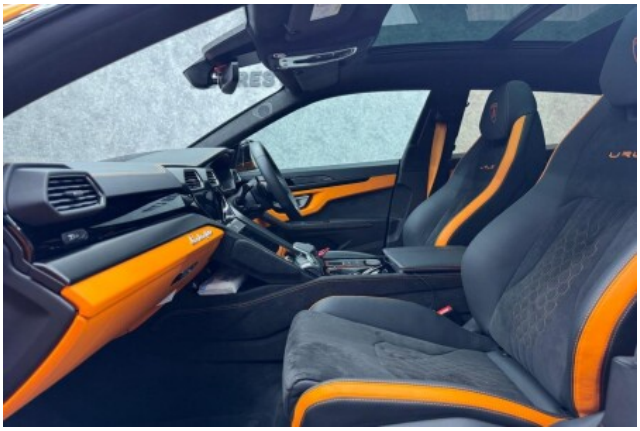

Driver Assistance Systems: The **Highway Assistant Package** enhances long-distance driving comfort, while the **Urban Road Assistant Package** provides additional safety in city environments. The **Parking Assistant Package with Remote Park Assist** makes parking easy, even in tight spots.

Specifications:

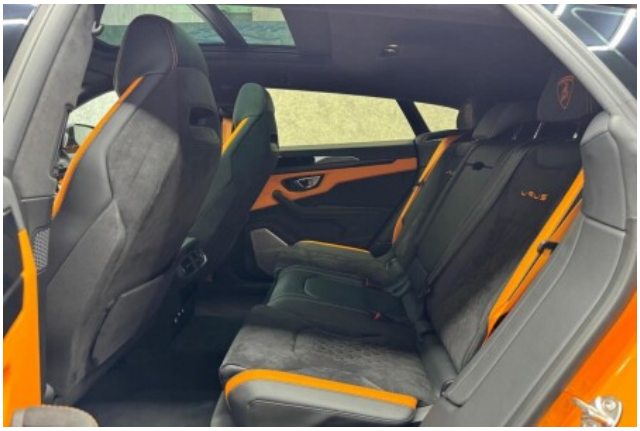

ID: ZER-746
Final Price: 325000.00 EUR
Interior Color: Black
Number of Seats: 5
Steering Side: Right
Condition: New
