Overview

The **Land Rover Range Rover Evoque D200 S 06/2024** blends contemporary British design with efficient diesel performance and refined luxury. %READMORE% As part of the prestigious Range Rover lineup, the Evoque offers compact versatility without compromising on premium comfort, advanced technology, and confident all-terrain capability.

Driving Performance

Equipped with a 2.0-liter D200 diesel turbo engine supported by mild hybrid technology, the Evoque delivers strong torque, smooth acceleration, and excellent fuel efficiency. The 9-speed automatic transmission ensures seamless gear changes, while the intelligent AWD system enhances stability and traction in various driving conditions. Hill Descent Control further improves confidence on steep or slippery surfaces.

Interior and Comfort

The cabin showcases Range Rover's minimalist luxury design with high-quality materials and ergonomic layout. Dual-zone climate control, electric seats with heating, and the advanced Pivi Pro infotainment system create a comfortable and connected driving environment. The spacious seating for five passengers and flexible cargo space make it practical for both urban and weekend adventures.

Technology and Safety

Advanced safety features include Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, and Parking Assist. The digital instrument cluster and integrated navigation system provide intuitive control, while Apple CarPlay and Android Auto ensure seamless smartphone connectivity.

Exterior

The Evoque's bold silhouette, flush door handles, and sculpted body lines define its modern and dynamic character. LED lighting signature, stylish alloy wheels, and the refined S trim detailing emphasize its premium presence both in the city and beyond.
