Land Rover Range Rover Evoque S 2.0L P200 4WD Curated Edition – 09/2021

General Overview
The **Range Rover Evoque S Curated Edition** represents the blend of premium British design and versatile performance in a compact SUV form. Presented as a **Special Edition**, this Evoque stands out with exclusive details and advanced technology, combining everyday practicality with stylish sophistication.

Performance and Driving Dynamics
Powered by a **2.0-liter petrol turbocharged engine producing 200 horsepower**, the Evoque P200 delivers both efficiency and responsiveness. Coupled with an automatic transmission and intelligent **4WD system**, it ensures excellent traction, stability, and confidence whether navigating city streets or rougher terrains. The refined suspension and Land Rover’s advanced driving dynamics make it comfortable yet agile.

Interior and Comfort
Inside, the Evoque offers a refined and modern cabin enhanced by the **10-inch Touch Pro Duo display system**, which provides intuitive control of navigation, entertainment, and vehicle settings. Premium seating materials and advanced ergonomics ensure comfort for both driver and passengers, while ample space makes it a practical choice for everyday use.

Technology and Safety
The Curated Edition is equipped with a full suite of modern safety and assistance features, including **adaptive cruise control, lane-keep assist, blind spot monitoring, collision mitigation braking, multiple airbags, and surround cameras**. These features provide confidence and safety in all driving conditions, while driver-focused technology ensures a connected experience.

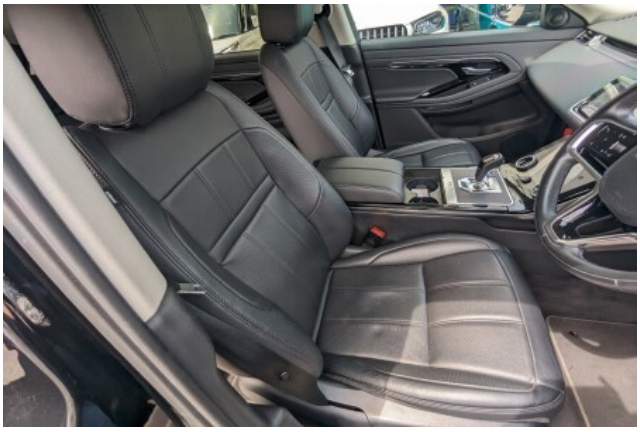

Exterior Design
The Evoque retains its iconic coupe-like silhouette, complemented by distinctive details of the **Curated Edition**. Stylish **alloy wheels**, **LED headlights**, and bold Range Rover design cues highlight its premium character. Its unique proportions make it instantly recognizable as part of the Land Rover family while emphasizing modern sophistication.
