Overview
The Land Rover Defender D300 S 2024 is a robust Cross-country/SUV powered by a 3000cc diesel engine. %READMORE% This 4WD version in Eiger Gray (Metallic) is available as a car for sale in Cyprus through our professional car dealership.

Driving Performance
Equipped with an 8-speed automatic transmission with instrument panel MT mode and a 4WD system, the Defender delivers stable and controlled performance. The diesel powertrain ensures confident torque delivery for various road conditions.

Interior and Equipment
The cabin accommodates 5 passengers and features a practical and durable interior layout. Genuine leather seats and modern climate functions enhance everyday comfort.

Technologies and Assistants
The model includes adaptive cruise control, lane keep assist, collision mitigation braking, blind spot support, 360-degree camera system, and hill descent control. These systems enhance safety and driver confidence.

Exterior
Finished in Eiger Gray (Metallic), the exterior emphasizes the iconic and functional Defender design. LED headlights, roof rails, and aluminum wheels complete the strong and versatile appearance.
