Land Rover Range Rover , 2024

Land Rover Range Rover Evoque S D200 Diesel Turbo 4WD – 12/2024

General Overview
The 2024 **Land Rover Range Rover Evoque S D200** is a premium compact SUV that combines modern British design, advanced technology, and refined luxury. Finished in **White**, this certified model delivers practicality and sophistication in a compact yet commanding form, making it a perfect choice for both urban and long-distance journeys.

Performance and Driving Dynamics
Powered by a **2.0-liter turbocharged diesel engine producing 204 horsepower**, the Evoque D200 offers smooth and efficient performance. Paired with an automatic transmission and intelligent **4WD system**, it ensures excellent traction, stability, and control in all conditions, whether on city roads, highways, or light off-road terrain. Paddle shifters further enhance the dynamic driving experience.

Interior and Comfort
The interior emphasizes premium comfort with **power-adjustable seats for all passengers, complete with memory functions**. The cabin features refined finishes and modern design, complemented by practical touches such as a **power tailgate** and an **interior rearview mirror with digital display**. The layout ensures convenience, comfort, and a luxurious atmosphere for every journey.

Technology and Safety
Equipped with the latest Land Rover innovations, the Evoque S D200 includes an **interactive driver’s display**, **360° surround-view camera**, and advanced driver assistance features. Safety is reinforced with multiple airbags, collision mitigation braking, lane-keep assist, and stability systems, ensuring confidence and security on the road.

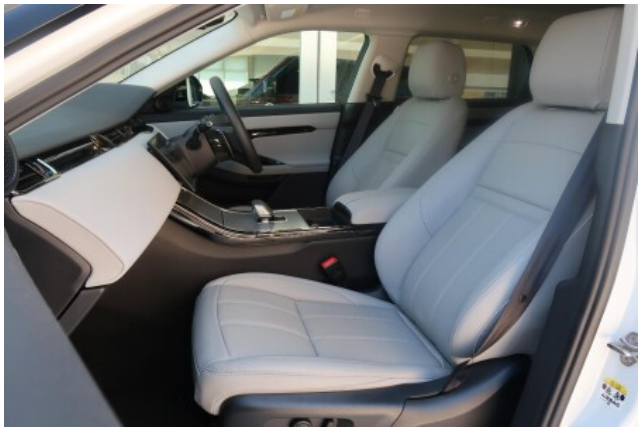

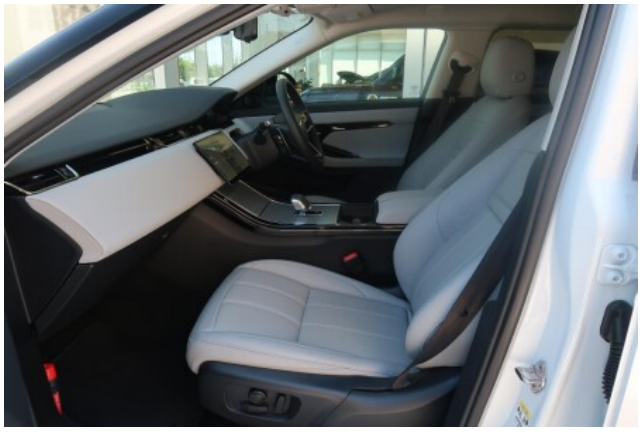

Exterior Design
The sleek **White finish** highlights the Evoque’s coupe-like silhouette, enhanced by premium **19-inch aluminum alloy wheels** and distinctive LED lighting. Its clean, modern lines paired with subtle luxury accents create a striking and unmistakable SUV presence.
