Land Rover Discovery , 2022

Land Rover Discovery Sport S P200 4WD – 03/2022

General Overview
The **Land Rover Discovery Sport S P200** is a refined and versatile **7-seater SUV**, finished in White. This 2022 model blends modern British design with practicality, offering a strong road presence and excellent capability for both urban and off-road driving.

Performance and Driving Dynamics
Powered by a **2.0-liter petrol turbo engine delivering 200 horsepower**, this Discovery Sport ensures a smooth yet confident performance. Paired with an automatic transmission and intelligent 4WD system, it provides stability, traction, and comfort across different terrains. Adaptive cruise control further enhances convenience for long-distance journeys.

Interior and Comfort
Inside, the cabin is designed for flexibility and premium comfort. The black leather seats add a touch of elegance, while the 7-seat configuration offers practical family usability. Features such as a panoramic view camera, smart navigation system, and power amenities ensure a modern driving experience.

Technology and Safety
This model comes with advanced technology including lane-keep assist, surround-view camera, and driver-assist systems for enhanced safety. Multiple airbags, ABS, and collision prevention systems provide comprehensive protection, while modern connectivity features integrate seamlessly into daily driving.

Exterior Design
The Discovery Sport S stands out with its sleek silhouette, complemented by stylish **18-inch alloy wheels**. Its contemporary design, LED lighting elements, and practical proportions make it a well-balanced premium SUV suitable for both city life and outdoor adventures.
