Land Rover Range Rover Velar Dynamic HSE D200 09/2023

More options available on our website.

General Overview

The 2023 Land Rover Range Rover Velar Dynamic HSE perfectly combines refined British luxury with advanced technology and confident all-terrain capability. Finished in sophisticated **Zadar Grey Premium Metallic**, this premium SUV features an elegant exterior complemented by an exclusive **Red Genuine Leather Interior** and a striking **Black Contrast Roof**, creating a bold yet timeless appearance.

Powered by a **2.0L D200 Diesel Hybrid** engine and Land Rover's renowned **4WD** system, the Velar delivers smooth, efficient performance with excellent capability in all driving conditions. Whether navigating city streets or exploring beyond the pavement, it offers a refined and comfortable driving experience.

Performance & Driving

Equipped with an **8-speed automatic transmission with manual shift mode**, the Velar provides seamless gear changes and responsive acceleration. The intelligent **4WD drivetrain** ensures excellent traction and stability, while **Adaptive Cruise Control**, **Lane Keep Assist**, **Hill Descent Control**, and **Automatic High Beam** enhance confidence and safety on every journey.

Luxury Interior

Inside, the cabin is designed to provide premium comfort for every passenger. The beautifully crafted **Red Genuine Leather Seats** feature both **Heated** and **Ventilated** front seats, ensuring year-round comfort. **Power Adjustable Front Seats**, **Keyless Entry**, **Smart Key**, and **Power Windows** add convenience, while the panoramic **Sunroof** fills the cabin with natural light and creates a spacious atmosphere.

Technology & Connectivity

The Velar comes equipped with a **Memory Navigation System**, **Apple CarPlay & Android Auto Display Audio**, **ETC**, and **Bluetooth-compatible music connectivity**, allowing you to stay connected and entertained wherever you go. Automatic climate control maintains a comfortable cabin temperature throughout every journey.

Safety Features

Land Rover has equipped this Dynamic HSE with an impressive range of advanced safety technologies, including:

- ABS (Anti-lock Braking System)
- Adaptive Cruise Control
- Lane Keep Assist
- Obstacle Detection Sensors
- Front, Side & Rear Cameras (360° Surround View)
- Driver & Passenger Front and Side Airbags
- Anti-Skid Control System
- Hill Descent Control
- Automatic High Beam
- Idle Stop System

These systems work together to provide enhanced driver confidence, improved visibility, and peace of mind.

Exterior Highlights

The Dynamic HSE stands out with its sophisticated styling and premium finishes, including:

- Zadar Grey Premium Metallic Paint
- Black Contrast Roof
- LED Headlights
- Panoramic Sunroof

- Genuine Land Rover Alloy Wheels

Its sleek profile, muscular stance, and premium detailing make the Velar one of the most distinctive luxury SUVs on the road.
