Land Rover Range Rover , 2024

Land Rover Range Rover HSE 4.4L P530 Long Wheelbase 4WD – 08/2024

Exterior:
The 2024 **Land Rover Range Rover HSE 4.4L P530 Long Wheelbase** offers a premium presence with its striking design and **long wheelbase**, which enhances interior space. Finished in a sophisticated color (specific color can be customized), it features **22-inch alloy wheels**, **LED headlights**, and a bold **front grille**. The **electric deployable step** makes it easier to enter and exit the vehicle, while the overall design exudes luxury and capability.

Performance and Efficiency:
The **Range Rover HSE 4.4L P530** is powered by a **4.4-liter V8 turbocharged engine**, producing **530 horsepower** and **750 Nm of torque**. With **4WD** and an **8-speed automatic transmission**, the vehicle offers exceptional performance both on highways and off-road. The **air suspension** ensures a smooth and adaptive ride, making the vehicle suitable for various terrains and providing outstanding comfort.

Interior and Features:
Inside, the **Range Rover HSE** features a luxurious cabin with **premium leather upholstery**, **wood trim accents**, and **multi-functional seats**. The vehicle comes with an advanced **Pivi Pro multimedia system** featuring a **13.1-inch touchscreen**, **Apple CarPlay**, and **Android Auto**. **Rear entertainment screens** ensure that passengers enjoy a premium experience during long journeys, while **ambient lighting** and **four-zone climate control** ensure comfort for all.

Technology and Safety
The **Range Rover HSE** is equipped with **Adaptive Cruise Control**, **Lane Departure Warning**, **Blind Spot Monitoring**, and a **360-degree camera system** for enhanced safety. The vehicle also includes **Park Assist** and **Emergency Braking** for added convenience. For comfort, it features **keyless entry**, a **power tailgate**, and **wireless charging**, along with **electrically adjustable seats** with memory settings. The **air suspension** ensures a smooth ride, adapting to various driving conditions.
