Land Rover Discovery Sport , 2023

Land Rover Discovery Sport R-Dynamic SE P250 4WD – 10/2023

General Overview
The 2023 **Land Rover Discovery Sport R-Dynamic SE P250** is a premium midsize SUV that blends modern British elegance with versatile functionality. Finished in **Ostuni Pearl White**, this model combines bold styling with advanced technology, making it a standout choice for both urban and adventurous driving.

Performance and Driving Dynamics
Equipped with a **2.0-liter turbocharged petrol engine producing 249 horsepower**, the Discovery Sport delivers strong performance and responsive handling. The automatic transmission paired with an advanced **4WD system** ensures stability, traction, and comfort across all road conditions.

Interior and Comfort
The cabin is designed with sophistication and practicality in mind, offering premium **black leather seating**, electric adjustments, and versatile space for family or business use. With high-quality finishes, ergonomic seating, and modern driver-focused controls, it ensures a comfortable and luxurious driving experience.

Technology and Safety
Packed with advanced features, this model includes a **surround camera system, adaptive cruise control, lane-keeping assist, collision mitigation braking, and multiple airbags**. Modern infotainment integrates seamlessly with smartphones, while premium navigation and driver assistance technologies provide convenience and peace of mind.

Exterior Design
The **Ostuni Pearl White** exterior is complemented by the sporty **R-Dynamic styling package**, giving the SUV a bold and refined look. Distinctive **LED headlights** and stylish alloy wheels further enhance its dynamic road presence.
