

Lexus LX , 2022

Lexus LX 600 Executive 4WD - 04/2022

Safety and Assistance Systems:

This premium SUV is equipped with advanced safety features, including an anti-lock braking system (ABS), multiple airbags, and power steering (PS), ensuring stable and confident handling in various driving conditions. Additional systems such as collision mitigation, blind spot monitoring (BSM), and a panoramic view monitor enhance safety during maneuvers and nighttime driving.

Comfort and Multimedia:

The LX 600 offers a luxurious in-car experience with a built-in navigation system, TV functionality, and a high-quality Mark Levinson sound system. Automatic climate control (AAC), power windows (PW), and a power-operated tailgate contribute to a high level of comfort and convenience for all passengers.

Interior and Seats:

The interior features premium leather seats designed for both comfort and durability. The cabin layout is spacious and ergonomically optimized, ideal for long journeys and everyday driving alike. The vehicle also comes with a user's manual, reflecting its well-maintained condition.

Exterior:

Finished in elegant black, the LX 600 presents a bold and refined appearance. Alloy wheels (AW) add a sporty touch, while the SUV's strong chassis and powerful **3.5-liter gasoline** engine offer impressive road presence and performance.
