Lexus RX , 2022

Lexus RX 450h Version L – 08/2022

Exterior:
This **2022 Lexus RX 450h Version L** presents a refined and elegant design in **classic Black.** It features sharp LED headlamps, Lexus' signature spindle grille, stylish alloy wheels, and chrome exterior detailing. The Version L trim adds upscale visual accents and premium exterior finishes, giving the SUV a confident and luxurious presence on the road.

Performance:
Powered by a **3.5-liter V6 hybrid system**, the **RX 450h** delivers a combined output of approximately **308 horsepower**. This model is equipped with **2WD (front-wheel drive)**, offering smooth and quiet performance along with excellent fuel economy — ideal for city and highway driving alike.

Interior and Comfort:
Inside, the **Version L** trim offers a luxurious beige leather interior with heated and ventilated power seats, memory settings, premium trim, and enhanced sound insulation. Additional features include a leather-wrapped steering wheel, power tailgate, ambient lighting, and a panoramic monitor. The spacious cabin accommodates up to five passengers comfortably.

Technology and Safety:
This model includes **Lexus Safety System+**, offering pre-collision braking, adaptive cruise control, lane keep assist, blind-spot monitoring, and rear cross-traffic alert. It also features a premium navigation system, head-up display, multi-view camera system, advanced parking assist, and wireless smartphone integration for both Apple CarPlay and Android Auto.
